PROFESSIONAL SUMMARY

Energetic and detail-oriented Front-End Engineer with hands-on experience in web and mobile app development. Combining creativity with strong development and business skills, I excel at crafting dynamic, user-friendly solutions using Vue.js, Next.js, and Figma. My background in Information Systems enhances my ability to bridge technical and business needs effectively. A multipotentialite with a passion for learning, I aim to continuously grow and eventually transition into strategic or managerial roles.

EXPERIENCE

Neoshore   *Telfair, Moka*
Frontend Developer   *Nov 2024 – Present*

- Contribute to all phases of the development lifecycle, from design to delivery and deployment, adhering to high-quality standards for scalable and efficient solutions.
